## Step 15:

You will now be able to choose your own password. Please make sure that your password is at least 8 characters long.

The screenshot shows the 'SET PASSWORD' screen with a purple header containing a back arrow and the text 'SET PASSWORD'. Below the header, the instruction 'Please set your new password' is centered. There are two input fields: the first is labeled '\*Enter new password' and the second is labeled '\*Confirm password'. Both fields have a yellow highlight on the left side and a toggle icon on the right. At the bottom of the screen, there is a grey 'Submit' button.

## Step 16:

Your password must be a mix of letters and numbers. Once you have entered your new password, tap the "Submit" button.

The screenshot shows the 'SET PASSWORD' screen with a purple header containing a back arrow and the text 'SET PASSWORD'. Below the header, the instruction 'Please set your new password' is centered. The two input fields are now filled with asterisks (\*\*\*\*\*). The 'Submit' button at the bottom is highlighted in yellow.
